KCES - A Profound Academic Movement

About Khandesh College Education Society, Jalgaon

Khandesh College Education Society is celebrating its platinum jubilee year. We have the good fortune due to the works of great scholars and pioneer educationist who established KCE Society in 1944. We must have to celebrate, a grand legacy. We are the progenitors of the KCE Idea, which for nearly seven decades has embodied our service relationship to the needs and interests of the people. We have gained esteem as a place where people can say what they think, constrained only by the free exercise of personal conviction. We are governed by the voices of the many, a shared responsibility of faculty, Administrative staff, and students. We have, from relatively modest beginnings, and with judicious application of limited resources, grown into an establishment that is considered one of the preminent institution in the India.

We must now ask what further actions will enable us to sustain our status at the forefront of higher education and at the leading edge of creating and disseminating new knowledge. We acknowledge our role as a place of intersection for local, regional, national, and international communities, each with dynamic and widely varied perceptions, interests, demands, and contributions. We stand in the midst of an ever-expanding revolution in communication, which influences fundamentally the technology and practices of education, the production of knowledge, and the accessibility and responsibility of the KCE Society as a resource to the world. The fluidity of rapid change surrounds us, and we must continue to navigate carefully through the resulting dynamic context by drawing on what has always made us strong as well as distinctive. KCE Society is unique in many aspects. As we face the emerging challenges of the new millennium, we should find strength, as well as guidance, in the features of our character that have allowed us to remain a strong and distinctive leader in higher education.

Khandesh College Education Society's, M. J. College, Jalgaon has been awarded as autonomous status by UGC and State Govt. from the academic year 2019-20. Other branches of KCES will also move for autonomous status in future. After all KCE Society has the vision to establish the Deemed to be University / Cluster University as per Govt. policy.

My College

College of Education and Physical Education is established on 15th June 1965. Previously it was affiliated to University of Pune and now to KBC North Maharashtra University, Jalgaon. The College conduct B.P.Ed., M.P.Ed., B.P.E.S. *, B.Ed, M.Ed, B.Ed (YCMOU, Nasik And IGNOU New Delhi),M.A. Education, , D.S.M. and ECCE. The college is recognized as CTE from MHRD New Delhi. We who have the good fortune for the works of great scholars and pioneer educationalist who established this society. KCE society always provide the opportunity to share with the society to

know the place where we are and what challenges we have to face for enhancing and continuing the advance quality education and many remarkable public thirst areas. The college has three research guides in education. Our college is reaccredited by NAAC in grade A. in Feb. 2014. The college had organized many National seminars in the field of teacher education with the grand success.
