

**4.4.2 Procedures and policies for maintaining and utilizing physical, academic and support facilities -laboratory, library, sports complex, computers, classrooms etc. (maximum 500 words)
(information to be available in institutional Website, provide link)**

The Khandesh College Education Society's have Management Council as per norms and rules. After every five year management council have to undergo the election process as per society act. The College has a Local Management Council as per Maharashtra university act 1994. Local Management Council deliberates all academic and infrastructural issues and requirements to fulfill the needs of the college regularly. The management council conducts the regular monthly meeting and minutes are recorded in proceeding books regularly. The local Management Committee conducts the regular meeting as per university act. And minutes of meetings are recorded regularly as per rules. The college and allocates budget every year on the various infrastructural and academic needs of, keeping in view the requirements of all the stakeholders.

Laboratory (including computer laboratories): The College has several educational and sports related laboratories attached to various departments, 01 computer lab and language laboratory. Optimum utilization of laboratory resources is ensured by the faculty coordinators, vice-principals and department heads for the whole semester.

Library: Every year, the college constitutes a library committee consisting of the Principal as its Chairman, College Librarian as its Secretary, Vice Principals and Coordinators of Education and Physical Education departments, senior teachers representing various departments. In the meeting of the committee, convened at the beginning of the academic year, the Librarian presents Annual Library Budget of various departments based on student-paper ratio for each subject. This committee deliberates on the budgetary allocations, evaluates the previous year's library activities and proposes new services, acquisition of wherewithal etc., for the current year.

Sports Complex: Eklavya Krida Sankul, one of its kind in North Maharashtra Region is managed by the College Sports Committee that advises the Physical Director in planning optimum utilization of sports facilities throughout the year. This committee consists of the Principal, Vice-principals, Physical Director and other teachers.

Classrooms: The classrooms of the college are well equipped for teaching learning process. For their optimum utilization the time-table for classroom teaching is prepared before the commencement of each semester where classroom wise schedule is clearly stated. Further to provide opportunity of ICT based teaching in the smart classrooms for all the departments, the Vice-principals and the faculty Coordinators chalk out time-table, semester-wise and term-wise.

Power backup:- For providing fluctuation-free, uninterrupted electric supply, equipment's in the Laboratories are connected to the UPS. To combat the challenges posed by periodic load shedding and black-outs, the college has set up power generator with a power output of 50 KVA. Continuous supply of water is ensured through an in-laid maze of water pipes connected to overhead tanks. The college also dug bore-well strategically in different parts of the campus that provide sufficient and constant supply of water.

Eklavya Sport Complex, Girls Hostel, Boys Hostel, Indoor and outdoor sports stadium facilities Mother Teresa Health Center etc. are utilized by the college on sharing basis as per the resolution of the Management Council of KCE Society, Jalgaon.
