

KCE's College of Education and Physical Education, Jalgaon

Remedial Teaching Report

2017-18

Remedial classes are organized in college to assist weak students to improve their performance and understand the basic concepts of a course. Individualized attention during remedial classes helps the students to overcome the subject specific difficulties and improve their outcomes in final university examination. Remedial teaching aims to reinforce the foundation of learning help students to overcome the learning difficulties, and develop their potentials. Schedule for remedial classes is prepared, usually conducting remedial classes after regular class hours and at the end of the internal tests. Students are informed to attend remedial class and clear their academic difficulties. Subject experts from various courses are assigned duty to assist the students of specific subjects. The record of attendance is also maintained by the faculty members. This academic year remedial teaching held on two times first- for semester I and III and second- for semester II and IV. Remedial teaching details of all programmes i.e. B.Ed.; M.Ed.; B.P.Ed.; and M.P.Ed. are attached herewith.

Remedial Teaching Report

2018-19

Remedial Coaching is organized in our college with a view to improve academic skills among the students in various subjects and raising their level of comprehension of basic subjects to provide a stronger foundation for further academic and professional work. It also helps to strengthen their knowledge, skills and attitudes in such subjects where quantitative and qualitative techniques are involved so that proper guidance and training provided under the program may enable the students to come up to the level necessary for pursuing higher studies efficiently and effectively. Schedule for remedial classes is prepared, usually conducting classes before or after regular class hours and at the end of the semester i.e. after the completion of the syllabus in the examination preparatory days.

Remedial teaching is a kind of follow up and it is done after an initial phase of teaching and evaluation. Remedial teaching as a part of curriculum is being done for the sake of weak students having low performance with the aim of improving their understanding ability through easy and simple language. Study materials are available to them for easier understanding and solve their problems and difficulties related to course work and university examinations. There was marked improvement in the level of achievement after the rigorous remedial teaching. One week remedial teaching programme were held maximum two hours daily in each semester.

Remedial Teaching Report 2019-20

K.C.E.S.'s college of education and physical education, Jalgaon has organized online Teaching classes during Covid 19 pandemic. Online teaching has become a medium of teaching/learning process during pandemic but it has certain limitations too. Online teaching requires electronic gadgets like smartphones/ Tablet/ Laptop/ Computer and proper internet facility to both teachers and students. Our college area is a semi urban and our students came from Jalgaon, Dhulia and Nandurbar district. The per students' availability of smartphones is less as compared to another smart city. Most section of this district population comes under middle income and low-income families. So, everyone could not afford smartphones. There is less internet availability in remote areas like Nandurbar district. Over think about this background college have arrange remedial enrichment engagement programme for our B.Ed., M.Ed., B.P. Ed., M.P. Ed. students.

Before starting remedial teaching, the teacher should:

find out students' areas of weaknesses.

prepare lesson plan.

prepare charts.

prepare suitable teaching-learning material.

process of remedial teaching (1) provides and collecting and preparing the support materials.

(2) Adapting the curriculum & output, input of course

(3) Choosing the appropriate teaching strategies, skills & counselling and assessment

teachers stated that they carried out practices such as sending videos, sharing materials, books photo copies on WhatsApp, trying to provide motivation, making phone or message, informing parents about the condition, providing remedial coaching. Regarding the remedial education, the teachers presented solutions such as repetition of the course, conducting study sessions, offering copies of the texts, online material on what's app etc.

Remedial teaching has a function to help students to be able to achieve the expected learning outcomes. We found Detailed Solution through Diagnostic teaching. It helps the teachers to know the learning difficulties or gaps in learner's understanding and identifying learner's strengths, weaknesses, skills, etc. To locate and identify the areas of learning difficulties leads to Diagnostic Testing.

Remedial Teaching 2020-21

K.C.E.S.'s college of education and physical education, Jalgaon has organized deep thinking about the background of college and arrange remedial enrichment engagement programme for our B.Ed., M.Ed., B.P. Ed., M. P. Ed. students. This academic year college conducted as per university guideline due to pandemic situation. College teaching schedule was online. Even micro teaching and evaluation of student also arrange online mode. so there is huge problem. But we have rich plan of remedial teaching, discuss with student and find their difficulty and provide them remedial teaching programme.

Our objectives of Remedial Teaching –

- To improve the academic skills, groundskills, teaching skills and linguistic proficiency of the students in various subjects and school practice lessons and other practical.
- To raise their level of comprehension of basic subjects to provide a stronger foundation as a teacher.

Remedial teaching strategies are:

Individualized Education Programme (IEP).

Peer Support Programme.

Peer feedback programme

Handling Pupils' Language Acquisition Problems.

Feedback to students, parents and teachers for teaching- learning (micro lesson and school lesson)

Analyze errors before retakes.

Provide options for tutoring.

Encourage reviewing in a new way.

Work on organization and study habits.

Remedial Teaching Report

2020-21

Remedial teaching aims to reinforce the foundation of learning help students to overcome the learning difficulties, and develop their potentials. Also teachers train students who perform better in a certain subject to become young teachers and who will be responsible for helping her classmates with learning difficulties in group teaching and self study outside the class.

To improve the educational perspectives of the student- teachers, remedial classes on various courses are conducted for these students who find it difficult to converse well in the examination, teaching skills. These classes are generally held after the regular class hours. With the objective of making classes interesting and better understandable to students, remedial classes are held in bilingual medium. Brighter students are encouraged to take these remedial classes for their counterparts thus enhancing professional skills among the students. This activity helps in improving academic skills of the students. These classes better equip the student for prospective career as well as in daily curriculum. The remedial coaching programme envisions supporting weak learners in different subjects and provides them more focused teaching support to enhance their qualitative and quantitative subject knowledge, academic skills and linguistic proficiency.
